Rental Fees

All prices are quoted for a single day event, a weekend is considered to be a single day event. If you require equipment for longer than a single day or weekend, weekly and monthly rates are available. Rental charges are based on the time that the equipment is out, not usage.

Delivery

We charge for delivery and pickup. All equipment will be neatly stacked in the driveway, garage (if garage is at the end of your driveway and in close proximity to our delivery truck) loading dock, or under our tent.

An additional fee is charged for special instruction deliveries, including:

- Equipment to the backyard.
- Buildings or facilities with security checkpoints.
- Precise time requirements.
- Set-up or take-down of equipment.

Please let us know beforehand if your order requires special delivery instructions.

All items are cleaned, sanitized and packaged to ensure that you receive equipment in good condition. You are requested to inspect all items at the time of delivery to ensure that you find them suitable to your needs. Some items (i.e. china, glassware, flatware) may be subject to a cleaning deposit. Dirty linen should be wrapped in a tablecloth to prevent mildew and never placed in plastic bags. Do not fold damp linen.
