

Tent Installation Addendum

INSTALLATION AND REMOVAL SCHEDULE: Installation/removal may take place up to a few days prior to/after your event date at the reasonable discretion of A Grand Event Party Rentals. Please call A Grand Event the week of your event to find out your delivery and pickup dates. Rental of tents is for event date only. Extra usage may result in additional rental charges.

Please note same day delivery and pickup is required for any tent that is not installed on a secured private property or secured venue. If tent is not being setup on a private property, client must supply contact name and number of Security Company that will be onsite.

Please make sure personal items, decor, vendor items, and caterers items are all removed from under tent PRIOR TO PICKUP DATE to avoid any additional rental or holdover fees.

SITE PREPARATION: Customer agrees to have the site clean and clear of obstacles (patio furniture, tree branches, bushes, etc.) that prevent access to or installation of the equipment. (Please note our delivery crew is not to move or remove any client personal property; if so CKR Inc., will be held harmless and not be held responsible for any damage). Customer agrees to an additional holdover charge for any delay in setup incurred, or additional labor performed by A Grand Event Party Rentals, resulting from Customer's failure to do so.

SUBSURFACE UTILITIES: IT IS THE LAW to call "MISS UTILITIES" (a free service) and schedule an appointment for them to mark the property for any underground utilities prior to any staked tent installation. This does not include any privately installed obstacles such as sprinkler systems, invisible fences, or other privately installed utilities. Any order confirmed within **4 full business days** of scheduled install date will automatically incur a weighted fee to anchor the tent at a rate of \$25 per tent leg. Customer agrees to inform CKR, Inc /A Grand Event Party Rentals in writing of the existence of any privately installed underground pipes, cables, conduits, etc. that might interfere with A Grand Event Party Rentals' ability to stake and/or anchor the equipment. In the absence of such notice, CKR Inc. / A Grand Event Party Rentals assume that no underground obstructions exist. Customer shall reimburse CKR Inc. /A Grand Event Party Rentals for additional costs incurred as a result of undisclosed subsurface conditions. A Grand Event Party Rentals is not responsible for damage to any underground obstacles. A Grand Event will contact Miss Utilities on staked tent installations that are confirmed at least 4 business days prior to delivery.
